current happenings

CONNECT ONLINE FOR WORSHIP. We are live-streaming the Sunday worship service at thesprings.cc/messages and also on Facebook at facebook.com/groups/TheSprings.cc

SUNDAY MORNINGS we continue with a scaled-down meeting at the building for worship. All members not ready to resume meeting at the building are encouraged to remain at home for worship and join us through the livestream. This is the only in person class currently meeting. Children's classes will not resume for now.

SENIOR SUNDAY lunch has been moved to July 26th. Please contact Leah Redling for more information on this lunch. lredling@thesprings.cc

AN ADULT SUNDAY MORNING CLASS is meeting in the auditorium AT 9:30 a.m. Social distancing is being practiced, and the class is also live-streamed to those at home. Led by Brad Giddens and Ryan Stephenson, they are teaching on the Gospel of Mark. The shortest of the gospels, Mark is a succinct yet vivid account of Jesus' teaching, focusing on works over words.

OUR CURRENT sermon series is **Proverbs: Wisdom for the Journey**. We are overwhelmed by information, but we are starved of wisdom. Drowning in hot takes and novel outlooks, we long for what Ellen Davis calls "time-tested wisdom that can provide a point of orientation for those bewildered by change and the complexity of new experience."

THE CHURCH OFFICE IS CLOSED for now due to the current rise in virus cases.

for prayer

Rachel Richardson underwent another procedure following her gall bladder surgery to drain some excess fluid. She is having difficulty with recovery, still in a lot of pain and dealing with infection.

Mark Henderson is home from rehab earlier than anticipated. He will continue rehabilitation at home. He is wheelchair bound for another few weeks as bones heal. Also, their two sons have tested positive for COVID-19.

Don Ferguson will have a shunt placed soon for a problem with hydrocephalus. They are having to wait on a surgery date at OU Medical, and the virus is complicating that.

Please pray for our essential workers during this time of rapid increase in virus cases.
